

AccuCount

Tablet and capsule counter and integrated pharmacy scale

- » Precisely weighs tablets and capsules in seconds
- » Pharmacy compounding scale
- » 610 gram capacity with 1 mg readability
- » Product is dispensed directly into the patient vial
- » 7,500 product capacity, pre-loaded with over 3,800 Canadian medications
- » Upgrading for new drug weights takes only seconds

Designed for the retail pharmacy

- » State-of-the-art maintenance-free Swiss technology
- » Digital counting display, English and French language text display options
- » Compact design, occupies less than one square foot
- » Integrates with all other McKesson APS solutions

The AccuCount is part of a scalable solution that will grow with you along with the needs of your pharmacy.

...because your time is for your customers

7,500 product capacity, pre-loaded with over 3,800 Canadian medications
